

Woodside

Your day, your words:

"Team bonding,
learning about HIV."

"Very informative,
easy work to make a
difference."

"Laughs."

"Satisfying to do
something that will
impact others."

"Learning about the
[WA AIDS Council]
centre. Meeting new
Woodsiders."

"Teamwork,
knowledge sharing."

LET'S TALK ABOUT SAFE SEX, BABY

Woodside's LGBTI+ advocate group
volunteers at WA AIDS Council

Woodside's Spectrum Committee is a wonderful internal program, providing a platform for employees to advocate for LGBTI+ rights, awareness and equality.

This award-winning Woodside initiative recently spent a team volunteering day out at WA AIDS Council, working to help with issues that matter most to the group.

WA AIDS Council works to lead our community in the provision of a wide range of services to prevent the spread of HIV, sexually transmitted infections and blood-borne viruses, while further assisting with the treatment and care of people living with HIV and AIDS.

Your fantastic feedback:

- after the team day -

- 100% said they felt an improved sense of understanding and empathy with other people.
- 80% said they felt increased pride in the company / their job.
- 90% felt increased motivation to do their job better.
- 100% said they felt increased awareness of wider social issues.

Loads of laughs and sneaky NSFW stories were shared, as the team helped their host organisation prepare hundreds of safe sex packs for the upcoming summer party, school leavers and festival season.

While they worked, the team also received an engaging educational session on the importance of safe sex from a WA AIDS Council member.

What a fantastic job the group did. Well done Woodside Spectrum!
